PRINCIPAL'S MESSAGE

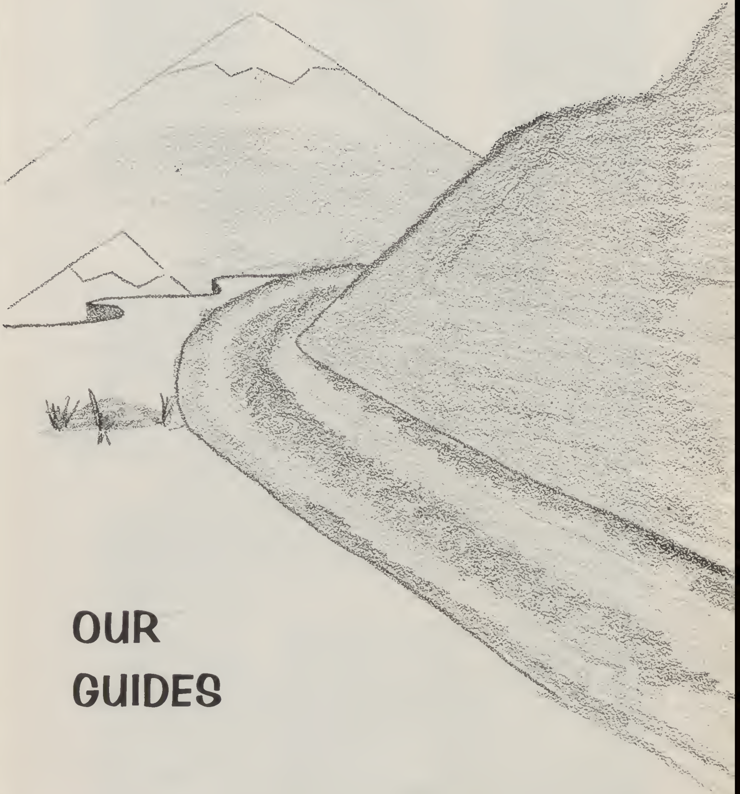

...umerable. The lessons of life will sometimes be severe and
...na and intelligence. You must learn to count your blessings
...ery disappointment, every achievement will guide you to a
... a day's end you may say, "I have done my best with honor
... what his color or creed." If you can so live each day, you
... for living and an anticipation that is born of understanding
...into years of service for your fellow man, and your life will
